Epistemology Think Tank Workshop: New Measures for Models

UNIVERSITY OF PITTSBURGH

MODELS OF INFECTIOUS DISEASE AGENT STUDY (MIDAS)

NATIONAL CENTER OF EXCELLENCE

- ▶ We are assembling a group of 25 of the best people we can think of to tackle a central question regarding modeling and its analysis.

Over two days around a central table, with subsidiary groups as needed, our aim is to work collectively on a crucial topic regarding modeling and simulation. Invitations will be extended to active modelers in various fields, policy makers working with models, thinkers with a track record of innovation, and philosophers of science specializing in modeling and simulation to attend.

- ▶ **We have reserved six slots for members of the national MIDAS network.**

Travel and lodging expenses will be covered in accordance with the University of Pittsburgh guidelines. If you are interested in attending this workshop, please contact us at the information below.
